Dear respected President, Secretary-General, dear friends,

The funds you paid to help the families of the members of IPA Section Croatia, as well as the police officers, who suffered in the earthquake in the City of Zagreb, Sisak-Moslavina County, will be allocated to them in full with the indication of the IPA section that donated and helped revitalize their families' well-being, as well as their damaged property, but unfortunately lost family members cannot be compensated.

It's a wonderful feeling when friends from all over the world come in and help in trouble, so that why the IPA is irreplaceable.

Dear friends, I express my sincere gratitude for your help and support on behalf of the victims, on behalf of all the members of IPA Croatian Section and on my own behalf.
